LILJESTRAND, Dr. P. Howard
3300 Tantalus Drive
Honolulu, Hawaii 96882 USA

Medical director of Leeward Oahu
Hospital. Howard is also on staffs
of five other hospitals. Most
recent news from Howard tells of

being "laid low" by a ruptured
disc. After partial paralysis and
much pain he let doctors "rummage
around in my spinal cord". Howard
returned to work promptly follow-
ing the surgery and is playing
tennis. The new Leeward Clinic
and Hospital (at Aiea, Hawaii
96701) is completed. Wife Betty
is managing the staff. Howard
tells of visitors from a number
of large hospitals for architec-
tural ideas. Betty is first vice
president of the AMA Auxiliary
and flies all over the U. S. for
conferences and seminars. Howard
is co-vice president of a newly
organized local Planned Parent-
hood. He adds Mrs. Walmsley's
know-how in this area after her
seventeen years of traveling the
world with Margaret Sanger. Slee
would be welcomed.
