Dear Wesley

The weather is thick with snow here but the roads are fairly clear in the center. For traffic is very busy.

I hope you can get me back to the Bush House as soon as possible. I will get ready waiting on you at anytime you say.

I am not well my cough still chokes me with flu.

Alice expects you to pick me as soon you can.

It takes 3 hours to get from here to the Bush House

I cannot possibly get shelter anywhere else, Therefore my urgent appeal:

Sincerely,
Your Father
