

(2)

Latin and French in which I obtained First Class Honour standing throughout my High School course. I am well-fitted, also, to teach the subjects in which I shall hold Elementary Certificates; namely - Art and Physical Culture.

I received my last year of High School training in Tillsonburg, Ontario. While there I succeeded in winning a local award for the highest standing in French, as well as one of the Carter Scholarships offered in Oxford County.

Outside of Sunday School work, however, I have had very little teaching experience, but I have made good use of the practical teaching included in the Normal School.

Applications.

1. Swerton C.S.
2. Alimston "
3. Bobcaygeon "
